Commissioner for Patents

DETAILED ACTION

Response to Amendment

1. Newly amended/submitted claims 3-4, 13-14, 17-18, and 25-28 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: Originally presented claims 1-4, 9-14, and 17-18 were directed to a single statutory class of invention (i.e. an article of manufacture). Newly amended/submitted claims 3-4, 13-14, 17-18, and 25-28 are directed to a method of making, which is a separate statutory class of invention. Since applicant has received an action on the merits for the originally presented invention, this invention has been elected by original presentation for prosecution on the merits. Accordingly, present claims 3-4, 13-14, 17-18, and 25-28 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) a § 821.03.

Non-Responsive

2. The reply filed on 31 August 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Originally presented claims 1-4, 9-14, and 17-18 were amended/canceled. Newly added/amended 3-4, 13-14, 17-18, and 25-28 are withdrawn from consideration (See above). Consequently, there are no claims to examine. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gwendolyn A. Blackwell-Rudasill whose telephone number is (571) 272-1533. The examiner can normally be reached on Monday - Thursday; 5:30 am - 4:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Deborah Jones can be reached on (571) 272-1535. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
